

SPOKANE Watercolor SOCIETY

Iain Stewart is a Scots born watercolor artist and a signature member of AWS and NWS among other state and international entities. He has also been inducted into the Whiskey Painters of America. His work has received numerous awards in international competition and hangs in many corporate and private collections.

Iain is a sought after watercolor instructor and juror and has been published in numerous books and periodicals. He has recorded 2 sets of instructional videos, and in 2021 his first book on painting 'En Plein Air-Light and Color' was published.

Iain maintains a studio in Opelika, Alabama, and in addition to gallery work, is an Architectural Illustrator with an international clientele and teaches watercolor and design drawing at Auburn University where he received his degree in Architecture.

Iain states: I am trained as an architect and, as such, approach painting design with a very similar sensibility. I feel that I need to communicate the vernacular of place in a way that is deeply personal to me. I embrace a dialogue between the real and imagined- seeking a way to allow myself to express my personal feeling of being in a certain setting rather than being confined by the reality of it. That ebb and flow, the back and forth, are what I find important and are my motivation for all of my work.

Spokane Watercolor Society presents:

A workshop with

Iain Stewart
