

Encourage a Friend

As many of you may know, SWS member Valerie Woelk's home and studio were totally destroyed last month in the Oregon Road fire in Elk. Many have inquired if there is something we can do to encourage and support her. The answer is yes!

If you would like to participate in a gift of art supplies for Valerie you may bring any **unused materials** you would like to give to the SWS meeting this Saturday, September 16th - 10am at Spokane Art Supply -1303 N Monroe

She has lost all of her supplies and equipment, so paint and paper, brushes, drawing and sketching supplies are welcome. Don't know what to bring? ... gift cards work too. If you have larger items such as easels, tables, etc. She needs those things but is currently staying with a family member, so details on gifting those will have to be worked out. She plans to attend the meeting on Saturday so you can speak to her then.

SEPTEMBER CHALLENGE: FALL THEME

Bring your fall-themed painting to display at the meeting. Enter a drawing for a Spokane Art Supply Gift card.

Entires are now open for the **Jan-Feb 2024 Member Show** Click the link below to download the prospectus if you haven't already done so.
